Fees payable:

- Completion fee: £999 (non-refundable)

This fee can be paid before the start of the mortgage or you can elect to add this to the mortgage loan and it will be deducted from the mortgage advance on completion. By electing to add fees to the loan, you will pay interest on them at the same interest rate as your mortgage throughout the mortgage term and this will affect interest charges and payment calculations.

If preferred, fees that have been added to the loan may be repaid by a separate capital payment at any time after the start of the mortgage and this will result in lower monthly payments and reduced interest charges.

- No Early repayment charge
You may make overpayments of any amount without incurring an early repayment charge.
- Mortgage exit administration fee on redemption of mortgage: £125
